

# Julia Kelly

## Recreational Instructor & Choreographer

Julia has been dancing since she was four years old. She began competitive dance at six and has loved it ever since. Throughout her years of dance, Julia has been trained in tap, jazz, ballet, contemporary, lyrical, hip hop, musical theatre, pointe, and open. She has been and is currently a soloist in the genres of tap and contemporary. Julia has performed and competed in various groups, trios, duets, and solos.

At competitions, Julia has earned multiple awards and scholarships for her strong performances. She's placed in many overalls through the years and strives to do her personal best each and every time she takes the stage. Julia pushes herself to always see improvement from year to year. Besides competitions, Julia has participated in many workshops and dance conventions. She's performed at the River Lions Halftime Show the past two years, and always looks for new opportunities to perform in front of an audience and do what she loves.

Around the studio, Julia arrives at dance with a positive attitude and always aims to leave with one. Through her experience as an assistant, her love for working with kids shines through. Julia works well in leadership positions and strives to inspire her students by sharing her passion with them. She aims to create a positive learning environment and make sure all of her dancers are having fun. She's incredibly excited to share her love for dance with her students, watch them grow as young dancers, and celebrate their progress along the way.
